**CHURCHES OF CHRIST, SCIENTIST**  
"John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world." These words from the Gospel of John are the Golden Text in the Lesson-Sermon on "Doctrine of Atonement" on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

A Scriptural selection in the Lesson-Sermon cites the verses from John: "These words spake Jesus, and lifted up his eyes to heaven, and said, Father, the hour is come; glorify thy Son, that thy Son also may glorify thee: ... I have glorified thee on the earth: I have finished the work which thou gavest me to do. ... And now I am no more in the world, but these are in the world, and I come to thee. Holy Father, keep through thine own name those whom thou hast given me, that they may be one, as we are."

One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statements: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."
